Dear Parents and Carers

Please find attached a copy of The Westwood Academy's latest OfSTED report. This will be published on the OfSTED website tomorrow and will also appear on our school website tomorrow. As well as congratulating our staff, pupils and governors, I would like to extend a wholehearted thank you to parents who support us, not only on the day of the Ofsted inspection but throughout the year.

I am particularly pleased with the recognition on Page 4 of the report that the school is leveraging best practice in teaching and learning as we move towards outstanding. There are a number of comments which we questioned, for example, that pupils that who responded to the questionnaire felt that there could be more challenge in lessons. This comment actually refers to Post 16 students in preparation for their next stage. However, overall we are very pleased with the outcomes and will now continue to work to action the areas for even further improvement.

Once again, thank you for your support and I hope you share our pride in the outcome.

Yours faithfully
