Thinking of university? What is a **facilitating subject** ?

The subjects most commonly required or preferred by universities to get on to a range of degree courses. They help you keep your options open when choosing a degree, many of the top universities will ask you to have at least one A-level in a **facilitating subject** when you apply.

Biology, Chemistry, Physics, Geography, Maths, English

Literature, History, Modern Languages

Where are they now?

Ever wondered about the career pathways of Westwood students?

Name: Sean Harvey

Current Job: Teacher of Physical Education

Marlborough College

Malaysia

Pathway: Westwood Academy Sixth Form , graduated from Sheffield Hallam University with First Class Honours in Sport Development with Coaching.

Quote: “My current school was built on a palm tree plantation so they're everywhere! The campus is surrounded by jungle. To the extent that during my induction we went through the school snake policy and I've already had to pick one up and deal with it!”
